## Per Cent Clause Would Bind Grower Hand and Foot

In Communication, Executive Committee of Burley Tobacco Society Shows How Such a Provision Would Work  
Destruction of the Movement—Opinion of Lawyers Given in Letter.

In a communication to members, the Executive Committee of the Burley Tobacco Society explains why no per cent clause was inserted in the contract for the 1910 pool, and why such a clause could not be embodied. Accompanying this communication is a letter from Col. John R. Allen, written March 5, in which is stated the opinion of attorneys for the Society. The letters follow:

Dear Sir—

Some persons who desire the ruin and destruction of the Burley Tobacco Society and who would in accomplishing their purpose, deliver the tobacco growers bound hand and foot into the power of the Tobacco Trust, are through newspapers and on the stump demanding that a 75 per cent clause be inserted in the pledge.

Since there may be honest men who honestly believe that such a clause should be in the pledge, we take this means of telling you why those who have your interests at heart and whom you have chosen to protect your property did not and could not insert in the 1910 pledge a 75 per cent clause.

The first pledge contained a per cent clause, and we learned by experience that there is danger in such a clause.

When we took legal steps against men who broke their pledges, some lawyers who could make the worse cause appear better would take the ground that we did not have the required per cent. In a community where officers of the law and public sentiment were in favor of pooling, the verdict would be for the society. In communities where the officers of the law and public sentiment were against pooling, the verdict would be for the man who broke his pledge. In this way the loss of the pooled tobacco worked hardship to the honest members. Seeing the difficulty that it made, our lawyers advised us not to put a per cent clause in subsequent contracts.

We include in this circular a letter from Col. John R. Allen giving his opinion on this subject.

The General Assembly has passed all the laws necessary to protect our Society if we use common sense and the light of experience. But to put a per cent clause in the 1910 pledge would open a gap through which contract breakers could escape.

A per cent clause in the contract would only make a mark for the Trust to shoot at. If we inserted a 75 per cent clause the Trust would have only to buy up 26 per cent and thus make any pool impossible. Having bought the smallest fraction over one-fourth of the crop at good prices the Trust would be able to control the remainder of the crop for anything it was pleased to pay.

The way to get 75 per cent pledged is to go after it and not to waste time and energy in a wrangle about a technicality that would seriously weaken the pool. The only reason that we have not 75 per cent or 85 per cent in the 1900 pool is that selfish or shortsighted men claiming to be the growers' friends made war on us during the last pooling season and confused and misled the people. Don't be misled this time.

Extending the time of declaring the pool to November 1st gives two boards the opportunity to pass on it. The old board has the right to declare the pool off prior to October 1st, if in their judgment they deem it best. The new board, elected about October 1st and representing the will of those who have just elected them, will have the right to declare the pool on or off before November 1st.

Recently we mailed you a four-page sheet containing a full discussion of the matters of difference between the Society and those who seek our ruin. We earnestly hope that you will take time to read all that is in those four pages and also the contents of a second sheet which we shall send you in a few days. It is the farmers' fault to work too much and to read and think too little. It is just as necessary to maintain an organization to sell your tobacco at a good price as

it is to grow it. Sincerely yours,

EXECUTIVE COMMITTEE, BURLEY TOBACCO SOCIETY.

Letter from Col. John R. Allen.

Lexington, Ky., March 5, 1910.

Executive Board of Burley Tobacco Society, City.

Gentlemen—

Mr. Pendleton and myself have gone over the draft of the pledge for the year 1910, and return the same with certain amendments and changes which we suggested and which are noted thereon.

We have heretofore advised the Board very strongly not to embody in the pledge for 1910 any guaranty of the percentage of tobacco to be pooled or any number of acres to be pooled before the pool becomes effective, and we are glad to know after talking with the Board that the majority of the Board agree with us in this opinion.

Our experience with litigation growing out of suits against dumpers is that a guaranty of a certain percentage of the acreage or a guaranty of a percentage of the amount of tobacco to be pooled before the pool becomes effective was a great detriment to us under the 1906 pledge and put us at a great disadvantage, because in every instance the parties plead that we did not have the percentage pooled as we claimed, and it would necessitate if the same clause were contained in the 1910 pledge, a great deal of trouble and expense and investigation in order to prove that we had the necessary percentage pooled.

Yours very truly, JOHN R. ALLEN.

## Special Court Term

### CALLED TO BE HELD HERE FOR TWO WEEKS.

After several terms of court without trial of criminal cases owing to the incomplete condition of the court house, a special criminal term has been called for July 25, to last two weeks. The session will be held in the court house, the first to be held in the new Temple of Justice.

The present term of court for the trial of civil cases has been extended a week longer than was originally scheduled, on account of length of time required in certain cases.

At the special July term both the grand and petit juries will be summoned for service.

## Lincoln Medical Society

### HOLD'S INTERESTING SESSION AT ST. ASAPH HOTEL.

The Lincoln County Medical Society met in the parlors of the St. Asaph Hotel Tuesday, June 14 at 10:30 A. M. with the following present: M. M. Phillips, president, J. F. Peyton, G. G. Perry, W. B. O'Bannon, J. G. Carpenter, J. W. Childress, J. W. Acton, F. P. Jones, W. M. Doores, M. Lee Pipes and W. F. Hickle.

Dr. M. M. Phillips read a paper on Pneumonia and its Treatment, which was thoroughly scientific and full of interest. Every member discussed pneumonia, as it is a disease which every general practitioner meets frequently in a year's experience.

So much time was devoted to this lecture that the one which was have been delivered by Dr. Childress on summer complaints of children and to be carried over until the next regular meeting, at which time two other papers will be submitted to the Society, one by Dr. E. J. Brown, A Plea for a More Accurate Diagnosis; the other by Dr. J. G. Carpenter: Surgery by the General Practitioner.

A resolution was introduced by Carpenter and seconded by Dr. Perry, petitioning Hon. Harvey Helm and Senators W. O. Bradley and T. H. Paynter and the other representatives in Congress to co-operate with President Taft and Senator Robert L. Owen of Oklahoma, in establishing a U. S. Board of Health with a physician in the president's cabinet.

The society then adjourned to hold its next session at Stanford in the St. Asaph Hotel. W. F. Hickle, Secy.

## CURRENT EVENTS CLUB

The Current Events Club met with Mrs. J. G. Carpenter on Thursday afternoon at her home on Danville avenue and a most delightful time was had. The subject of the meeting was "American Authors," and Mrs. W. A. Trible read an interesting paper. Each member named an author, who was discussed by the club.

Mrs. Carpenter's ices, cakes and mints, in chocolate and yellow were beautiful to see and delicious to taste. The next meeting will be with Mrs. W. P. Grimes on the third Thursday in July.

The following guests were present besides most of the members: Mrs. W. B. McKinney, Shelton Sawyer, T. A. Rice, Carroll Shanks J. J. Dickey and J. T. Embry.

## REVIVAL SERVICES

Revival services will begin at the Baptist church this evening, conducted by Rev. J. H. Daniel, of Texas. The basket dinner and roll call which had been proposed for next Sunday have been indefinitely postponed.

## SAVED FROM AWFUL DEATH

How an appalling calamity in his family was prevented is told by A. D. McDonald, of Fayetteville, N. C. R. F. D. No. 8. "My sister had consumption," he writes, "she was very thin and pale, had no appetite and seemed to grow weaker every day, as all remedies failed till Dr. King's New Discovery was tried and so competently cured her that she has not been troubled with a cough since. It's the best medicine I ever saw or heard of." For coughs, colds, laryngeal, asthma, croup, hemorrhage, all bronchial troubles, it has no equal. 50c and \$1; trial bottles free. Guaranteed by G. L. Penny.

## ICE CREAM SUPPER.

On Saturday afternoon from three to six o'clock the Mission Band of the Christian church will have an ice cream supper at the home of Mrs. John S. Baughman. All are cordially invited to attend. Candies will also be for sale.

## BEAUTIFUL NUPTIALS AT CRAB ORCHARD

### CHRISTIAN CHURCH CROWDED FOR LIVINGSTON-LEETE WEDDING—OTHER NEWS.

Crab Orchard, June 16.

Miss Margaret Livingston daughter of Rev. J. G. and Mrs. Livingston was united in the holy of matrimony to Mr. Claude Caton Leete, of Davenport, Wash., Wednesday at 4 o'clock p. m. The wedding was at the Christian church which had been decorated by her many friends in a most elaborate and beautiful manner with pot plants and cut flowers.

Mrs. Curtis Gover presided at the organ and rendered the Mendelssohn wedding march as the party entered the church. The ushers Messrs. Maurice Perkins, Wallace Gover, Harry and Melvin Collier, preceded the bridal party down the aisle. Rev. J. G. Livingston father of the bride who performed the ceremony entered, followed by the lit flower girl Larene Edmiston and Sara May Pettus who scattered wood land daisies before the bride and groom.

After the pretty ceremony, they drove to the station accompanied by a number of friends who gave them a shower of rice and good wishes as they entered the car to go to their far Western home. They will make stops along the trip at Denver, Pikes Peak, Salt Lick City, Yellowstone Park and other points of interest.

If the attendance at the wedding attests the good feeling of Mrs. Leete's friends for her, she certainly leaves her old home with an abundant evidence, for the church was full to over-breathe a fond goodbye.

The play "The Face at the Window" given by the young ladies and gentle men for the benefit of the Christian church was a decided success in every particular. Miss Margaret Culton and Dr. Spiller took the leading roles, representing their characters most admirably.

Miss Ophelia Lackey played the part of a little girl; her resemblance to this character was striking and she gave a very pleasing conception of the part. Miss Annie Branaugh as the aunt of Miss Ophelia, was beautiful and dignified and seemed eminently fitted for her role. Mrs. Katie Gover and Thomas Moore, personating the servants of the play—which to our mind were parts most difficult to perform—were simply fine.

Their compliments for acting their parts to such a high degree of perfection were so profuse it is needless for us to say more. Certainly the entire cast displayed fine histrionic talent.

Col. Guest was so delighted with the performance that he says he will write to his friend, John Macauley, of Louisville, to come up and try to engage the company for next fall at his theatre. The "street parade" by the company during the afternoon afforded much fun for the town. The receipts at the door far exceeded the most sanguine expectations; being \$125.70, and we think it but just to give honor to whom honor is due, and state that Capt. J. B. Willis paid \$25 for one ticket, Mr. Curtis Gover \$10 for one, Mr. Wallace Gover \$5 for two, Dr. Dick \$5 for two, Mrs. Mary Reichert \$5 for one, Mr. Robert Thompson \$5 for one.

The lecture at the Baptist church Friday evening by Miss Drummond on Temperance was well attended and pronounced very good.

The I. O. O. F. observed last Sunday afternoon as decoration and memorial day. They marched to the cemetery in procession in full uniform led by the Crab Orchard band, which gave appropriate music. The services consisted of prayer by Rev. K. D. Noaks; reading of their ritual for the occasion and scattering of flowers over the graves of departed brothers.

This is one of the little deeds of life which has a strong tendency to cement the ties of brotherhood. How unfortunate that we so often forget and too often neglect to perform the little things of life.

Mr. Ad Easton has purchased a traction engine, which cost him \$2,200 for hauling lumber. The capacity is 10,000 feet of lumber or a car load at on draught. It does away with horse power entirely, showing the progress of mechanical ingenuity over the past means of transportation.

Mrs. George Stephenson and son John, have returned from Texas.

Mrs. Holman Stuart and son, George William, of California, have arrived to spend the summer with Misses Bettie and Sallie DeBorde and other relatives.

Mr. Kilburn Stuart, of California, will spend the summer with his sister, Mrs. John S. Baughman. All are cordially invited to attend. Candies will also be for sale.

Mrs. F. L. Jones, Mrs. Rose Stuart

Alexander, of Owenton, Ky., is also a guest of Mr. and Mrs. F. L. Jones.

Mrs. A. H. Bastin and Miss Mamie, of Lancaster, are visiting relatives. Miss Mamie will remain for some time to be the guest of Misses Pearl and Clara Collier.

Mrs. A. S. Price and daughter, Birdie McClure, of Stanford, are visiting Mr. and Mrs. Thomas Napier.

Mrs. W. C. Pettus and Mrs. Martha Fish are visiting Mrs. J. G. Carpenter in Stanford.

Mr. Sam Magee and Miss Margaret Merritt, of Danville, have returned after a visit to his mother and Judge Joe Magee.

Mr. and Mrs. Charles Jones of Hustonville, visited the home of Mrs. Johnson, of the Eureka Portrait Company, in a letter received from T. A. Griffith, foreman of a crew of canvassers, who have been at work in Christian and Trigg counties for several weeks. Griffith tells how one of his men was attacked by night riders and forced to leave the part of the country he was working in, soliciting pictures for enlargement. He was robbed of \$20 by the men who caught him, and warned him to leave and never return. He was glad that they did not take his life and says he does not regret the \$20 since he got away unscathed.

Dr. M. M. Phillips and Mr. Russell Brown, of Stanford, came over last Sunday in their handsome new automobile and treated some of our pretty young ladies to a nice drive.

Mr. A. G. Eastland, of Louisville, was in town this week.

Miss Georgia Lewis, who has beenjourning at Crab Orchard Springs for several weeks, left Monday for Cincinnati to visit relatives.

Miss Sanna Thompson who has been attending school in Louisville, is at home to spend her vacation.

Mrs. H. D. Campbell and children are visiting friends in Berea.

## T. D. RANEY HURT IN RUNAWAY

### LOCAL MAN SUSTAINS SEVERE INJURY TO SHOULDER IN BOYLE COUNTY.

T. D. Raney, of this place had a very narrow escape from death when he was thrown out of a buggy in which he was driving near Alliston, Boyle County, Wednesday morning. His left shoulder was sprained so badly he will be deprived of its use for some time and he was otherwise bruised and injured.

Mr. Raney, who is a traveling salesman, had driven in a livery rig from Mitchellsburg to Perryville, seeing his customers. He was being driven by a young man named Myers. When near Alliston a rubber tire on a wheel, broke into and snapped over as the wheel went round and struck the horse. The animal was greatly frightened and began to kick and run. Myers was unable to control him, and as the horse dashed madly away, the buggy overturned, and both men were thrown out. Mr. Raney was almost knocked unconscious while young Myers was so badly hurt that a physician took him in charge at once.

Mr. Raney's shoulder was dressed and tied up, and he caught the morning train for Stanford.

## McKinney.

Misses Anna and Minnie Alams, of Graysville, Tenn., visited Mr. and Mrs. Harry Jacobs Sunday. They are selling Life and Health Medical Journal in order to gain a scholarship at the Graysville Academy to fit themselves for missionaries.

Mr. Joseph Coleman is at home from Lebanon where he has been attending school.

Gov. Gillette, of California, has declared that the Jeffries-Johnson prize fight shall not be held within the borders of his state, and has instructed the Attorney General to take legal steps to prevent it, if necessary. A great many will doubtless commend him for this action, but lovers of fair play, no matter whether it be a prize fight or a revival cannot but condemn him for waiting this long before issuing his pronunciamento against the fight. The backers of the affair have spent many thousands of dollars in preparations, which will be a loss to them now. They say that they will sue Gillette, and ought to recover damages. He stated publicly a few weeks ago that he would permit the fight. His play now seems to be to the galleries and for political effect. Meanwhile the promoters are preparing to put on the fight in Nevada where there are no sort of laws against the pugilistic game.

Mayor Head of Louisville, on Wednesday formally announced his candidacy for the Democratic nomination for Governor. He would undoubtedly make a good executive if he could secure the nomination and win. Sixty-five country newspapers have declared in favor of McCreary, declaring that he is the only man who can unite all factions and bring back an old-time Democratic victory. The Sage of Madison has consented to make the race, and we do not believe that Mayor Head, Ben Johnson, Bill Adams or anyone else can get the nomination away from him. The country boys are for McCreary and are going to have their way this time. Democracy would win oftener if the voice from the rural districts was heeded more.

With the liquor interests solidly behind him the tobacco trusts and all other big corruptionists Campbell Cantrill seems to have an insurmountable handicap over Claude Thomas for the congressional nomination in the seventh. We have it by grapevine that the interests backing Cantrill have put up an immense fund to put him over. The liquor interests are said to have almost as keen a desire to punish Thomas for his activities in the last State Senate for the county unit bill, as they had to defeat Beckham for United States Senator because he put the lid on in Louisville.

Caleb Powers got all the best of it at the republican State committee meeting in Louisville last week. He claims he will carry the 11th district over Edwards by 15,000, but we don't believe it. The race looks mighty close to us.

The question of the hour is whether Roosevelt will endorse the Aldrich-Cannon gang or the insurgents in Congress. The return of the lion hunter is at hand and magnificent preparations are in progress for his welcome home.

I suffered a great deal from backache and at night did not sleep well. On several occasions my back became so painful and weak that I could not attend to my house work. Being advised to give Doan's Kidney Pills a trial, I did so. They helped me from the first and had I continued them long enough, I believe they would have effected a cure. I was compelled to discontinue their use for some time but I am now taking them again and I believe they will soon rid me entirely of the trouble."

It has been brought out in the exciting race for the Democratic congressional nomination in the Seventh that the reason Congressman Cantrill pledged himself to be for Thomas after having had one term, was that he planned to run for Governor. Just think what we have missed. With Cantrill and Johnson candidates, it would have been pay your money and take your choice.

### For Miss Jones

MARY HIGGINS ENTERTAINS  
IN AFTERNOON

One of the prettiest social events of the week was the reception given by Miss Mary Higgins in honor of Miss Martha Jones, of Kansas City, Mo., the guest of Mrs. Grimes. As has been the case at nearly all of the receptions this season, it was pouring down rain, but this only made the hospitable home the more attractive inside, with its beautiful decorations of red poppies and lilies.

Receiving with the hostess were the guest of honor, Miss Jones, Miss Letitia McRoberts, of Lancaster and Miss Mary McRoberts, of Danville.

The dining room was very attractive in carnations and pink and white and the table had a large cut glass vase full of carnations, in the center. Delightful ices and cakes were served carrying out the color scheme of pink and white.

Those present were Mrs. S. D. Bartley, Misses Burch, Hocker, Margaret Hooper, Sara Baughman, Virginia

Bourne, Annie McKinney, Alcorn, Berta Jean Penny, Warren, Roberta O'Bannon, Sallie Taylor Woods, Sue Taylor Engleman, Lettie McRoberts, and Mount, of Lancaster, Mary McRoberts, Alcorn, of Hustonville, Paxton, Minnie Woods, Claudia Eaton, Marie Mahony, Otter, of Danville, Belle Denny, Mary Bruce, Linda Miller, Ellen Ballou, Sophie Saunders, Clara Cooper, Mesdames George H. Farris, Shelton Sauney, Mary Craig, Richard Hampton, Nannie Woods Kitchen, P. M. McRoberts, J. N. Sauney.

### Romantic Courtship

WAS THAT OF WESTERN MAN  
AND KENTUCKY GIRL

The Davenport, Wash., Times has this, which is interesting in connection with the wedding of Miss Livingston and Mr. Leete, which took place at Crab Orchard Wednesday afternoon:

A romantic courtship which began at the Christian church Sunday school convention in Kentucky last October will be closed June 25th when Claude C. Leete, the popular deputy in the

county auditor's office, and a resident of this city for years will be married to Miss Margaret Livingston, daughter of a Christian minister of Crab Orchard, Kentucky.

Mr. Leete, who will leave for the home of his bride-to-be next Sunday, via Harrington was a delegate from the Sunday school of the Christian church of this city and while attending the convention met Miss Livingston and Thursday said "It was a case of mutual agreement at once." After the wedding Mr. and Mrs. Leete will leave immediately for their future home here, expecting to be back by the first of July.

The Times joins with Mr. Leete's many friends in Davenport and the county in wishing the happy couple much happiness.

### E. C. WALTON WRITES OF NEW HOME

FORMER EDITOR OF I. J. GIVES HIS FIRST IMPRESSIONS OF SOUTHERN METROPOLIS

Atlanta, Ga., June 15. In an interesting letter from Atlanta to the Interior Journal E. C. Walton writes:

If you could see how we rejoice over the arrival of the Interior Journal and watch us devour its contents you would gather some idea of how we appreciate the "cheapest and best" and the interest we feel in God's chosen people, about which it tells. Papers are not handled with the same care and precision that letters are and it is a rare thing that Tuesdays' paper is delivered to us before Thursday and Friday's before Monday. However, we can and do get Friday's publication on Sunday by going to the post-office. It is a little late but it is good when it comes and there is not a line we do not read and sometimes read over and over. The more I see of rural publications, the more I am convinced that the I. J. is in a class by itself. It gives news while it is news and there is no coloring about it.

Speaking of papers, there are three great great dailies here, the Constitution, the Journal and the Georgia. The former is a morning publication and the two latter are printed in the afternoon. They are credits to even this magnificent city and are most liberally patronized. All are democratic, which suits me to a t. In fact republicans are so few and far between here that they could not support a publication if they desired. What Negroes get to vote, vote the republican ticket and that is the strength of that party in Atlanta.

We are greatly pleased with our new home. We occupy a modest cottage at 192 Winsor and should a Stanford person, be he white or black, come to the gate city of the South and not come to see us, we shall consider him fit only for treason, strategems and spoils and mark him off our list. We have met very few people so far but those whose acquaintance we have formed have been most courteous and kind. I felt like a stranger in a strange land when, after almost a week's sojourn here, I knew nobody on this street nor even knew who lived next door. Am getting acquainted now and before many moons wax and wane, we all hope to form some fast friendships.

I have not engaged in business yet and do not know that I will before July 1. However, I am open for propositions and am anxious to get out of the loafers' column. These three months I have been out of business seem almost as many years. While possessing no great amount of industry, I am not cut out for a loafer and I wouldn't loaf if I had been.

The political pot is getting warm in Atlanta and in fact in the entire State of Georgia. County officers are to be elected in November and primary will be held in this, Fulton county, Aug. 27. Gov. Brown's successor is also to be elected this year and while no date for the nomination of a democratic candidate for that office has been set, candidates are popping up all over the state. Gov. Brown, who, I am told, has made a very ac-

### Free Remedy For Weak Bowels

There are two forms of bodily cleanliness, the external and the internal. The one is for your pride in yourself; the other for your life and health. Both are important, but of vastly more importance in the long run is the internal cleanliness.

There is one point that all should watch over their bowels.

Keep them clean and free from obstructions.

To do this you must have one or two movements of the bowels each twenty-four hours.

If your system does not do this naturally, in the process of eating and drinking, then you must obtain aid of some kind.

After finding out that cathartics, salts and such things relieve you for a day, but bind you up worse than ever the next day, then try a simpler and more natural remedy like Dr. Caldwell's Super Pepto Bismol.

For the skeptic the best way to be

Use it as directed and if it convinces

you that brief continuance of its use

will relieve you permanently—that it will

A brief use of this grand laxative tonic

will cure constipation in its worst form,

indigestion, liver trouble, sick headache,

sores, such ailments and keep

you in continuous good health at a very small cost.

Such is the experience of many families like that of Mrs. Oscar Fleener, Unionville, Ind., J. F. Daniel, Saxon, Tex., and hundreds of others that

Dr. Caldwell personally will be pleased

### IN MEMORY OF W. M. SMITH

My head and stay is called away  
And I am left alone.  
My brother, dear, who was so near,  
Has fled away and gone.

Oh, it breaks my heart, 'tis sad to part  
With one who was so kind;  
But he is gone; in dust he lays,  
And I am left behind.

Naught can I find to ease my mind  
In things which are below.  
For earth's toils, did vex my joys,  
And aggravate my woe.

But I'll prepare, to Jesus where  
I'll ease my troublin' heart;  
To Christ above, who is my love,  
And my eternal rest.

And, oh, that He would send for me,  
And call my spirit home;  
To worlds of rest, among the blest,  
Where troubles never come.

A Loving Sister. M. H.

## An Expert's Opinion of Skin Diseases

■ A prominent, national expert on skin diseases whose name you are familiar with, says that in all his scientific experience he has never found so hard a disease to conquer as eczema. Yet he does not hesitate to recommend ZEMO as a most successful remedy for the treatment of Eczema, itching skin diseases, dandruff, pimples, blackheads and all other diseases of the skin and scalp. He says that not only do its curative qualities make it popular, but also the fact that it is a clean, liquid remedy for external use. A great improvement over the old style greasy salves and lotions which are not only unpleasant to use but do not destroy the germ life that causes the disease. ZEMO draws the germs to the surface and destroys them, leaving the skin clear and healthy. Can be used freely on infants. G. L. Penny will gladly supply those who call with a free sample bottle of ZEMO and a booklet which explains in simple language all about skin diseases and how to cure yourself at home with ZEMO.

### STRONG EFFORT FOR POOL IN GARRARD

ROUSING MEETING OF TOBACCO GROWERS HELD AT PAINT LICK—300 ACRES PLEDGED

Dispatches to the daily papers from Paint Lick Garrard county this week tell of the progress which is being made in that section toward establishing a foothold for the pool of the Burley Tobacco Society. The dispatch reads:

Paint Lick Ky., June 13.—A rousing joint meeting in behalf of Madison and Garrard county tobacco growers was held here in the interest of the Burley Tobacco Society pool. A large number of farmers were in attendance. The meeting was called to order by Dr. Amon, of Lancaster and was presided over by Dr. Amon and Mr. Jesse Cobb, of Richmond, representing Madison county.

Mr. Bradley Wilson, manager of the pooling campaign in this district was the principal speaker. In a clear, forcible and eloquent address he thoroughly outlined the pooling proposition.

About three hundred acres of tobacco was pledged by independent growers, who had never before been members of the pool, composing many of the largest growers of Burley tobacco of this section.

So apparent was the pooling sentiment that Mr. R. N. Beasley, a buyer for the American Tobacco Company, and a man who has effectively fought the pool for the past several years said:

"It is so plain to me that everyone in this section is in favor of the pool this year that I am going to follow my neighbors."

Mr. Beasley pooled his crop of about fifteen acres and also took the solicitor's book and agreed to induce all he could to sign.

Mr. Beasley was of the opinion that at least one thousand acres would be pledged immediately in the vicinity of Paint Lick. During the meeting Mr. Wilson pledged the organization to build a receiving house at Paint Lick large enough to accommodate all tobacco pooled and delivered at this point.

After the meeting in an interview, Mr. Wilson said: "I am firmly of the opinion that enough tobacco will be pooled in a few days to justify the erection of a receiving house at this point."

The meeting adjourned amid good feeling and enthusiasm and with the understanding that another meeting would be held here Saturday, June 25, at 2 o'clock and at Lancaster Monday, June 27, at 1:30 o'clock.

Mr. Wilson will continue the campaign throughout Madison county this week, holding schoolhouse meetings after which he will go to Lancaster and make a complete canvass of Garrard and every precinct in the county.
